

To my family - This letter is to tell you what I wish done with the home when I no longer need it. As you all know, your father made no will, so in order that I might be able to sell the home if I desired, the five heirs signed a quit claim deed and turned it over to me. Now I am deeding it all to Mildred and with this letter, she can dispose of everything as I would like to have done.

I would like Don to have his mother's share Emery, Junie's husband to have June's share, less bal. due on a sum⁶⁰⁰ borrowed by June some years ago, to be paid without interest at her convenience -

Gertrude to have Bill's share, less bal due on \$400- a loan also without interest. Any money in my bank account to be used for my final expenses I have left a signed check. The two remaining shares for Mildred & Marian. This is as near as I can plan so each will receive equally $\frac{1}{5}$ of what I have left.
